

CSCE AWARD FOR GOVERNMENTAL LEADERSHIP IN SUSTAINABLE INFRASTRUCTURE

NOMINATION FORM

The primary objective of this award is to provide recognition to Canadian governmental organizations for leadership in the development and guardianship of sustainable civil engineering infrastructure projects or programs. Please refer to the **Terms of Reference** for more information on best practices that are recognized as contributing to the development of a sustainable infrastructure project/program.

All levels of government, including federal, provincial, municipal, territorial or First Nations (or combinations thereof), are eligible to receive the award. Organizations majority owned by government but at arm's length from the government, such as crown corporations, are also eligible. Nominations received by February 15, 2021 will be considered for the awards to be presented at the CSCE Annual Conference.

Title and brief summary (*100 words maximum*):

Nominator's name: _____
(*in full and include credentials, with CSCE member grade*)

Nominator's contact information (mailing address and e-mail address):
